Our Vision:

Creating an international network of organizations that prepares individuals to support caregivers through respite.

REST is a train-the-trainer course that prepares individuals to conduct respite training, equipping REST Companions™ to provide respite, in order to support caregivers who are caring for people with disabilities and health care needs across the lifespan.

REST Trainers can lead REST Companion™ Training Programs within:

- Churches
- Schools, Colleges & Universities
- Corporations
- Hospice & Palliative Care Organizations
- Hospitals
- Social Services Organizations
- State Agencies
- Veteran Organizations
